><p>Fly through the night<p>

The sun is down

>Stars alight now
The last rays of light

>Run high in the clouds
****It's twilight****

>A nice sight

>Such a great moment to go

>On a flight

>We share a glance
"Ready to dance?"

>Saddle and gear already on

>Our chests

>Run and clip
****Glide and flip****

>Sit on me tight

>And we jump from a cliff!

We go away

>Tumble and sway

>Fly through the night

>'Till next day starts

>Wind on my face
We fly with grace

>Dragon and Rider

>The skies are ours!

The night's out
>Silver light
Shines from the moon
>And makes all the stars bloom
It's midnight
>All is dark
>Such a great moment to go
>On a flight
>We share a smile
"Up to the sky?"
>My paws and wings are all
>Ready to fly
>Run and clip
Glide and flip
>Sit on me tight
>And let's jump from a cliff!

We go away
>Tumble and sway
>Fly through the night
>'Till next day starts
>Wind on my face
We fly with grace
>Dragon and Rider
>The skies are ours!

The moon's down
>It's dark now
>Lights come from the town
>As stars making a crown
>Early morning
With light wind
>Why wake me up now
If it's not for a flight?
>We share a grin
>"Like in a dream?"
We flee, I forgot to
>Take my boots it seems
Run and clip
>Glide and flip
>Sit on me tight
>As we jump from a cliff!

We go away
>Tumble and sway
>Fly through the night
>'Till next day starts
>Wind on my face
We fly with grace
>Dragon and Rider
>The skies are ours!

We go away!
>Fly away
>The stars make a path
>That our wings can follow
>Wind and sky, sea and clouds
>Northern Lights and darkness
>Oh please, bless our flight!

For we go away
>Tumble and sway
>Fly through the night
>'Till next day starts
>Wind on my face
We fly with grace
>Dragon and Rider
>The skies are ours!

Dragon and Rider
>The skies are ours!
